Hi John:

Please see attached.

I assumed you mean report pages (makes sense) and not PDF pages.

Please let me know if this is not what you need.

Thanks!

J

Judy, Actually, you could help me with one thing in prep for this week's briefings on Thursday. Since I may need to give John L's part of it, I should have the relevant SCCWRP report pages that he showed handy. With your adobe program, sometime between now and Wed afternoon, can you please pull the following pages for me and put in one file in the following order:

Cover page
Page 107
Table 4-31
Page 109
Page 110

Thanks, John
